We know what you're thinking! Axe Throwing sounds and looks a little crazy but anyone can learn How To Throw An Axe and make it stick! And as intense as it may look, axe throwing is relatively easy to learn. Most people who come in have never thrown before and by the end of their session, they're hitting bullseyes.

**Night out  
event  
\$45 per  
person  
includes  
dinner**
